Review Comments: A stealth monopole would NOT INTERFERE with
the scenic LANDSCAPE AS MUCH. We know eventually the
pole will be over 200' + the more platforms + ANTENNAS they add

Review Comments: We will submit comments 1/28/10. We feel that the Sun + Mon 1/25 is not sufficient time after the 1/23 Balloon test.

In any case we will be concerned about the vista + possible use of a stealth tower.
